

TEAM JONY MISSION REPORT: JANUARY 2026

MULTIPLYING DISCIPLES AMONG MALAYSIA'S UNREACHED

Executive Summary: Momentum & Multiplication By God's grace, the year 2026 has begun with extraordinary momentum. We are deeply humbled to report that in January, the Lord has graciously expanded our reach beyond what we could have asked or imagined. Our total network has grown to **23 active groups** with **203 participants**.

This growth is primarily driven by a breakthrough in the rural sector: a new network in Kampar led by Brother Zamri. Simultaneously, we have solidified our foundations through leadership retreats, advanced our Zúme translations into Bahasa Malaysia, and established new international connections for future collaboration.

Key Metrics (January 2026 Snapshot)

- **Total Active Groups: 23** (16 existing + 7 new rural groups)
- **Total Participants: 203** (173 existing + 30 new)
- **Zúme Training Sessions:** 2 ongoing cohorts (Mandarin & English)
- **New Deployments:**
 - a. **East Coast:** Joyce Kok (Kota Bahru, Kelantan)
 - b. **Rural Network:** 7 Groups established in Kampar (Leader: Zamri)

Key Ministry Highlights: January 2026

1. Strategic Retreat with Dr. Long's Team (Penang Hill) By God's grace, we began the year with a meaningful 2-day retreat dedicated to deep Bible reading and practicing the 3/3rd discipleship model. We set spiritual goals for 2026, trusting the Lord to use the Long family as a pillar for urban discipleship in His perfect timing.

2. Expansion in Perak: Brother Zamri's Network We are deeply grateful for a significant breakthrough through Brother Zamri in Kampar. The Lord has faithfully enabled him to mobilize 7 leaders to start **7 new disciple groups** in their respective

villages. We plan to visit them in February to further equip and encourage these new leaders.

3. East Coast Follow-up (Kelantan) Sister Joyce is currently serving in Kota Bahru, faithfully preparing to launch her first 3/3rd group. We are planning a pastoral visit in April or May to support and encourage her ministry on the ground.

4. International Partnerships (UK & Australia) We are grateful that God is connecting the nations for His glory. We had the privilege of meeting with Paul & Jill (UK) and Gavin & Sylvia (Australia) in Georgetown. Both couples expressed deep interest in the mission and a heart to collaborate in reaching unreached people groups.

5. Zúme Translation & Training

- **Chinese Group:** We rejoice that a group of six immigrants has faithfully completed 15 lessons and is actively practicing prayer walks.
- **Bahasa Malaysia Translation:** We are thankful for Brother Paul and Brother Chad, who are diligently working to complete the Bahasa Malaysia translation of Zúme tools by February 2026.
