MARCH 2026

Multiplying Disciples Among Malaysia's Unreached
Missionaries: Jony & Soojin · Field: Malaysia & Southeast Asia

Executive Summary

March 2026 has been a month of quiet multiplication — to God alone be all the glory. From a café in Penang to Orang Asli villages in Perak, and now to Mainland China and beyond, **disciples are meeting, praying, and multiplying across borders we never planned.**

Our Mission Hub at St George Heritage Café continues to be a frontline gateway for the unreached. This month, 19 people from 6 nations walked in, shared their burdens, and received prayer and the Gospel — among them a Hindu family from India and a Muslim woman from Northern China. We are deeply grateful and remain in awe of what God is doing through ordinary faithfulness.

“Go therefore and make disciples of all nations...” — Matthew 28:19

Key Ministry Highlights

1. Mission Hub — St George Heritage Café, Penang

Our Mission Hub remains a frontline space of grace where the Gospel meets real human need. 19 visitors from Malaysia, China, Indonesia, Thailand, New Zealand, and the USA shared prayer requests covering healing, guidance, and salvation. Among them: a Hindu family from India and a Muslim woman from Northern China — both received prayer and heard the Gospel. Seeds have been planted; we entrust them to the Lord.

We humbly invite every ministry partner to intercede faithfully for this café. It is not just a heritage space — it is a strategic gateway to unreached nations passing through Penang every day.

Pray that God continues to draw the searching and the lost through our Mission Hub doors — and that every seed planted would take root and bear fruit for His glory.

2. Zúme Bahasa Malaysia Translation — Nearly Complete

All written content and the Zúme website are 100% complete. We are now recording professional BM voice-overs for the full 20-session video series. Target: April/May 2026. Once released, this opens deployment across East Coast Malaysia, Orang Asli networks in Perak, and Southern Thailand.

Pray for completion of the BM voice-overs by April/May 2026 and swift, wide deployment among BM-speaking communities and Orang Asli networks.

3. Disciple Groups Multiplying in Mainland China

Brother Zack, a faithful graduate of our Georgetown Zúme cohort, has returned to China and already launched 2 new disciple groups using the Zúme curriculum. What began in a Penang café is now bearing fruit across borders. Other Georgetown graduates continue training others locally. To God alone be all the glory.

Pray for Zack's 2 new groups in China — for protection, deep roots, and multiplication in a restricted-access environment.

4. East Coast Deployment — Kelantan

Sister Joyce is faithfully serving in Kota Bahru and her first 3/3 group is now in the launch phase. We have confirmed a field support visit on May 7–11, 2026, walking alongside her in the MAWL process as she steps from trainee to practitioner.

Pray for Sister Joyce's spiritual protection and fruitfulness as she launches her first group in one of Malaysia's most challenging mission fields.

5. Zúme Alumni Leadership Network — Launching April

We are launching a monthly peer mentoring network for all Zúme graduates: April 14 (BM/English) and April 15 (Mandarin). Format: 3/3 Look Back · Look Up · Look Forward, focused on Lessons 15–20 (Leadership & Multiplication). This network is designed to sustain and deepen the disciple-making culture across our entire movement.

Pray for strong attendance, genuine fellowship, and a renewed hunger for multiplication at both April gatherings.

Closing Reflection

Small seeds — a café conversation, a village group, a graduate crossing back to China — are bearing fruit across borders. **This is what ordinary faithfulness looks like. And it is multiplying.**

Thank you for praying, giving, and going with us. You are a vital part of every group that meets, every prayer answered, and every soul that encounters the love of Jesus.

“Now to him who is able to do immeasurably more than all we ask or imagine...” — Ephesians 3:20
