1 GRATEFUL REFLECTIONS

Dear friends,

This month, God raised up leaders who no longer need us in the room. In Sumatra. In a village church youth class. In an online English cohort. And at a home fellowship table in Penang.

- Pak MT and Ibu IA are now teaching others in Sumatra.
- Sister CA and Sister ER lead a brand-new English cohort every Thursday night.
- Sister SA, a young sister from a village church, now teaches Zúme to more than 10 youth after church on Sundays.
- Two sisters said yes to Jesus at our home fellowship.

Here are the stories from September.

2 STORIES FROM SEPTEMBER

Zúme Trainings Now Led by Pak MT and Ibu IA

Pak MT and Ibu IA were once our students. Now they are the teachers.

They have started to teach others in Sumatra, Indonesia. On September 10–11, 2026, they held a Zúme Disciple-Making Training on the island of Sumatra. More than 10 people attended.

We were not in the room. That is exactly what we prayed for.

Please pray that those who attended will keep growing in God's Word and put into practice what they learned.

Their own Zúme Bahasa Indonesia cohort opens for enrollment now and starts in October.

Sister SA Is Now a Disciple Maker

A young sister from one of our village churches, Sister SA, has started to teach others to be disciples of Jesus. She uses our Zúme Discipleship Training.

More than 10 youth from her village church are joining. She teaches them after the Sunday church service.

She told me this is now the main Sunday school program for the church's youth. From now on.

Praise the Lord! Sister SA is training and making disciples. She is a disciple maker and a multiplier now.

Please pray that she and her youth keep growing in God's Word and start to teach others too.

A New English Cohort, Led by Sister CA

A new weekly English cohort now meets online every Thursday, 9:00–10:30 pm.

Sister CA teaches 7 students. Sister ER co-leads with her.

Their students join from Japan, Singapore, Kuala Lumpur and Penang. They show up faithfully. They learn together. They are becoming disciples of Christ.

Two Sisters Said Yes to Jesus

Two new believers came to Christ in our DL Home Fellowship.

After we finished a 3/3 group time, we asked Sister AF and Sister JQ if they wanted to accept Jesus. Both said yes. We prayed the sinner's prayer together.

Please keep praying for their faith to grow deep roots.

A Family in Grief, and an Open Bible

Brother JK and Sister MK came to us with a heavy heart. Sister MK's mother had just passed away. Their late mother was a Christian, and Sister MK wants to know Jesus more.

I shared the gospel with them. She could not decide yet. She cried a lot.

Two weeks later, they came back. We read the Bible together. They promised to keep joining our fellowship and meet-ups.

Please pray for Brother JK and Sister MK: comfort in their grief, and faith in Jesus.

New Friends from Around the World

This September we met so many new friends — from Hong Kong, Korea, the USA and China. We also fellowshipped with SO from Osaka. So many chances to share the gospel.

We had a great time with Pastor KI from Korea and Pastor JL from the USA. We talked a lot about disciple training. They are planning to bring a group of 50 missionaries from China and Korea to Penang for a one-week retreat at the end of November.

Please pray for the plans and preparation.

3 ACTIVE TRAINING GROUPS UPDATE

Our groups held steady this month. A new youth class started on Sundays, and one brand-new stream is about to be born. Across the board, more of the training is now carried by leaders in their own language, not by us.

Monday	Wednesday	Thursday	Saturday	Sunday
Mandarin	Cantonese	English	Bahasa Indonesia (starting soon)	Bahasa Malaysia (Sister SA and BN)

Zúme Mandarin — every Monday
Team leaders: Soojin and Sister AC
10 students

Zúme Cantonese — every Wednesday
Team leaders: Dr DL and Pastor TG
35 students

Zúme English — every Thursday (new)
Team leaders: Sister CA and Sister ER
7 students

Zúme Bahasa Indonesia — opening in October, Saturdays
Team leaders: Pak MT and Ibu IA
10+ trained in September. Enrollment is open now. Cohort starts in October.

Zúme Bahasa Malaysia — every Sunday
Team leaders: Sister SA and BN
10 students (youth who stay after the Sunday service)

Every stream above is now led by someone who was once a student. This is the quiet math of multiplication we are praying happens in Southern Thailand next.

4 PRAYER REQUESTS & NEXT STEPS

Would you pray with us?

- Sister AF and Sister JQ — that their new faith would take deep root.
- Brother JK and Sister MK — comfort in grief, and a clear step of faith for Sister MK.

- Pak MT and Ibu IA — that those trained in Sumatra keep growing, and that the Indonesian cohort launches well in October.
- Sister SA and her youth — steady growth in God's Word, and courage to teach others.
- Sister CA and Sister ER — for the 7 students in our new English cohort, from four cities.
- The retreat for 50 missionaries from China and Korea in Penang, end of November — wisdom in planning.
- Strength and protection for Jony and Soojin as we travel through November and December.

What comes next

- Perak (November 2–6): a mission and training trip with Bible School students, plus mission work in their village churches. The Zúme Advanced Training runs November 3–6. Prepare all the training materials.

- Support Pak MT and Ibu IA as they launch the Zúme Indonesia cohort in October 2026.
- Prepare for the end-of-November retreat in Penang for 50 missionaries from China and Korea.
- Prepare for the December 17–20 mission trip to Kampar and Simpang Pulai, Perak.

CLOSING

September in one sentence: God keeps raising up ordinary people who now make disciples without needing us in the room.

To God be all the glory.
